## A NOTE FROM THE COMMITTEE….

Keep up to date with all the latest news and announcements by checking the South Curly website on a regular basis Sth Curly Web

## HELP!!!!

Pub to Pub fun run: We need to provide 11 marshals for this event which takes place on Sunday 28th August. Currently we have 3 volunteers, so we need an additional 8. The event goes from around 7.00am to about 11.30am. If you can help out, please let Tim know asap at (tim_j@optusnet.com.au). Many thanks.

## Registration

Registrations are now open and can be done online through Lifesaving Online.
https://www.lifesavingonline.com.au/SLSA_Online/modules/home/index.php

Those members who have already registered to use the site and wish to renew need only go to Login at the top of the screen, and enter your user name and password. The site then asks if you are there to renew: select South Curl Curl membership (if more than one listed) and then renew - as simple as that! Fill in your name where required and check the boxes asked...after you submit the renewal it will ask if you would like to make a payment. If you say yes, it takes you directly to the payment gateway where you can make a credit card payment. Both you and the club receives a copy of the payment receipt. Once both registration and payment are completed renewing membership is complete. If you have had a break in membership or did not complete a Working with Children Check form last year, you may also be required to do this for the 2011/2012 season.

For those of you who do not wish to do online registrations, there will be 2 registration days - 11th and 18th September. Only the 18th September will have Nippers gear available. 11th September hours will be 9am to 12 Noon only and 18th September will be 9am to 11am only.

As with previous years payments can be made with cheque, cash, or online credit card payments (through SLSA's Payment Gateway). There will be no Eftpos facilities available.

New Members: - please ensure you provide 100 points of ID. Without this, your membership cannot be accepted, whether an online rego is done or in person. Drivers licence, passport, medicare card, birth certificate, pension/concession cards are all acceptable forms of ID. It's likely we will not have copying facilities available, so if you wish to leave a copy of any ID you should bring it with you.

Patrolling members - your membership and fees need to be paid prior to your first patrol, or you using any Club equipment or facilities. We should all be mindful that SLS insurance is valid for current financial members.

## Parking Permits

As many of you are likely well aware, the blue Council parking stickers expire on the 31st of August, 2011. Don't expect the lovely Council rangers to give you any leeway with these.

For patrolling members, the Club is in the process of getting new stickers from Council, but we need your help. We have made it simple, just fill out the "survey" from the link below, and we'll get your sticker. Either click on the link, or copy and paste it into your browser to access the survey.

http://www.surveymonkey.com/s/MTTNS9K

Important notes:

- If you don't have a sticker or your household has more cars than provided stickers, fill this form in (one per person)!

# New Season Housekeeping

- Stickers are only for patrolling members, and by requesting a sticker we can assume you are looking to patrol this season.
- If you don't complete the survey before 5th September, you will need to collect your sticker from Council yourself.
- Stickers will only be distributed to financial members, so if you want to collect it you must have paid your membership fees.
- If you don't collect it on 11 September during our first registration day, you will need to wait to the start of patrols to collect your sticker.

Thank you everyone, any questions just email the Club for an answer - mail@southcurlcurlslsc.org

## Gear Inspection

Reminder to all patrolling members: Gear Inspection will take place on 21st August - that's right, this Sunday morning! The Club could do with your help, so please come down to lend a hand.

## South Curly Calendar Sponsorship

This season will see the release of another of South Curly's fabulous calendars. The Calendar is another of the Club's much needed fundraisers and all monies raised go directly into buying equipment for the Club.

Anyone interested in sponsoring a page in the Calendar should email the Club to secure their place. All sponsorship enquiries, payments and sponsor (company) artwork will need to be received by 9th September to ensure we have the Calendar printed in time for it's launch at this year's Curly Sound Waves on 16th October, 2011. There are a few sponsor spaces left, so if you, your company or someone you know are interested in any of those spaces left, call me on 0407 278 998 or email the club at mail@southcurlcurlslsc.org

## First Aid Room

Renovations to the First Aid Room are almost completed, so we'll be open for business very soon—though of course we'd be happy not to have any customers!

## South Curly Ocean Pool

For those who have been down at the beach recently you will have noticed the ocean pool is undergoing renovation. The current schedule has the pool re-opening at the end of October, but this is very much weather-dependent. Cross fingers.

# 2011 South Curl Curl AGM

## *Curly Sound Waves 2011 (CSW11)*

We need your help! October 16 is the date set for CURLY SOUND WAVES, the Food, Wine & Music Festival. This event is one of our major fundraisers and needs the support of the whole club to make it a success.

For those unaware, Sound Waves is held in the South Curly carpark with a main stage showcasing great music and talent and this years headline act is iconic band DRAGON! Other performers include The Fukkers, Nick Green and Nick Stenmark. There will also be lots for the kids to do, fun rides, games on the beach, horse rides and more.

We have food and wine stalls all run by club members so of course the more supplies we have donated the better the bottom line is for the club!

There are many, many ways you can help and we need you to let us know NOW if you….

- Are able to provide sponsorship for the event
- Have a product or service you can donate or source for raffles on the day
- Have a product or service you can donate for use on the day (eg. food items, alcohol, security services, printing services, graphic design services, media access, skip bins)
- Buy tickets to our exclusive, all inclusive VIP cocktail area (now located in amongst the action!)

A huge thanks to the following organisations who have already committed their sponsorship to this event"

Manly Windows, Freshwater Bendigo Bank , Harbord Veterinary Clinic, Roche , Wayne Stacey Electrical and Hidden Valley

But we need as many members as physically possible to participate in this event on the day – to set up, man stalls in shifts, sell raffle tickets, clean up etc. etc. Without us all coming together the event will not be the success the community looks forward to! So please diarise the date and commit at least one member of your family to accepting the call to join a roster on the day.

Contact: debbie.austin@linkmarketservices.com.au if you can organise sponsorship or the donation of a product or service to be used at Curly Sound Waves 2011.

# Nippers Season 2011/12

The new season is almost upon us. Here's some important dates to make a note of:

## 20th August - Officials Course

Surf LifeSaving rules state that we need 1 official for every 10 children entered into a carnival., so we desperately need some more parents to help out, and bolster our numbers of officials. We have a core of loyal parents who put their hands up for most carnivals, but not enough to meet the required ratios. So even if you can only do one or two carnivals in the season, it would be a huge help and enable us to enter all the children that want to compete, rather than having to cap numbers. To qualify as an official you need to attend the course. If interested, please contact Rob Newlinds on newlinds@banco.net.au or Lisa Settree on lisa.settree@bigpond.com

## 24th August 6.30pm at Clubhouse — Age Managers Meeting

You should know if you're an age manager or not!

## Under 14s SRC

Training for the Surf Rescue Certificate (SRC) is planned to start in early September so that the majority of the course requirement (theory) will be completed prior to the start of the Nippers season. Further communications will be sent out shortly to identify a suitable starting date. It is envisaged that we will meet one night each week, starting around 7pm. Please contact Peter Yeates if you require any additional information (h) 9400 9344 or by email peter.yeates@alconlabs.com

## 18th September at Clubhouse — Nippers Gear & Registration Day

You'll be able to register nippers and adults for the upcoming season and stock up on nippers cozzies etc between 9am—11am. There will be another registration day the week before (11th September, 9am to 12pm) but no nippers gear will be available on that day. Remember, payments can only be made by cash, cheque or credit cards, NO eftpos, so come prepared.

## 9th October—First Nippers of the 2011/12 Season

Get down to South Curly for another great season of fun and games on the beach.

Under 6s & Under 7s 9am

All other age groups 9.30am unless advised otherwise.

# curlysoundwaves2011

fun - food - wine - music

**If you haven't done so already, mark Sunday 16 October in your diary for Curly Sound Waves 2011.**

Popular Australian (and Kiwi) band **Dragon** will be performing along with a line up of local talent including The Fukkers and Nick Green.

There will be entertainment for the whole family including fun rides, face painting, horse riding and food and drink.

## Get Involved!

There is the opportunity for local businesses to partner with the event on a number of levels.

If you are interested in becoming a sponsor of Curly Sound Waves 2011, or would like to offer prizes to giveaway on the day, please contact Debbie on 0425 221 667 or debbie.austin@linkmarketservices.com.au

Event details are on the Club website (Upcoming Events page) or join South Curl Curl SLSC on Facebook and RSVP for Sound Waves.

## Gallipoli 100th Anniversary—South Curly will be there.

The 100th anniversary of the Gallipoli landing is in 2015 and as you could imagine there is significant interest in being part of the celebrations. 'Military History Tours' has put together a package that includes a Surf Boat race from Dardanelles to Anzac Cove, somewhere around 100km in total. As part of this package accommodation has been secured on an Italian cruise liner that will be alongside a dock close to Anzac Cove.

South Curly has secured limited accommodation at this time and is looking for expressions of interest from club members for this trip. Ideally there will need to be a large contingent of members that can actually row a surf boat, though you don't have to be a boatie to express an interest.

At the moment we only have 24 beds reserved for South Curly, though I intend on requesting more should they become available (if there is a need). The cost (land only) for 8 nights/9 days on the cruise ship (with meals and tours of battlefields) is around $5,000 per person. Flights and ancillaries are additional.

As the cruise ship will be chartered, there will be a requirement for a deposit of $500 by March 2012 and full payment by March 2013.

Further information re the specifics of the cruise is available on request. My intent in the first instance is to collect 'expressions of interest' for this trip. Once we have determined the interest, we can then move forward in allocating what accommodation we have reserved, and perhaps requesting more if it becomes available.

At this time the Cruise Ship is 100% fully booked, however reserving beds and actually paying for them is two different things, so cabins may become available.

Please note that it is my understanding that due to the 100th anniversary, all other accommodation around Gallipoli will go in to a ballot system in 2014 and be allocated that way. The benefit of the Military History Tour is certainty for this once in a lifetime event.

If you would like to express an interest in being part of the South Curly contingent, please send an email to bryn_russell@hotmail.com and include the names of people nominating. Please note that at this time I do not foresee it as being possible to accommodate entire families. We were perhaps lucky to get 24 beds as it was.

Lifeline Northern Beaches invites South Curl Curl Surf Life Saving Club to participate in the Blackmores Running Festival in September and in doing so raise much needed funds for Lifeline, a local charity. All the information regarding the festival and how to enter is below. If you could discuss this with your club members and forward this email out across your network would be fantastic. I've also attached a copy of the flyer if you wish to post it on your website. We feel this is a great opportunity for people who love fitness to enjoy an iconic Sydney event, plus contribute to their community by raising funds for a local charity. **With suicide being the biggest killer of men aged 15-44 and women under 34, Lifeline's crisis support services have never been more important. Your club can help us save lives and have fun in the process.**

## *Warm Up series revised dates……*

**Rd2 date has been changed to avoid a clash with the Toronto Winterfest (part of the ice-berg series) so you get more racing in before the start of the summer.**

Races will get more difficult as we near the first round of the Oceanseries to be held at Dee Why on the 17th September.

**2nd round** - **August 20th**: Course: TBC pending council approval

**3rd Round** - **August 27th:** Course: Fisherman's Beach TBC - course will alter pending conditions

This year will include new categories in some races including SUPs, OCs, Spec Skis, Surf Boats plus more. Specific information on each race will be made available on our NEW WEBSITE which is currently being finalised.

Other new initiatives for the season include a warm up series for those paddlers looking to get into ocean racing and those making the transition from harbour racing or surf life saving skis. The first round will be a short course in somewhat calm waters and each round will get progressively harder to give paddlers more confidence prior to the start of the Oceanseries. The warm up series will also be backed by a couple of paddling clinics prior to each race of the 2011 Oceanseries. Tim Jacobs, the 2010 Oceanseries winner will be running the clinics. Each session is built to increase confidence and practise some of the special skills that particular race might have, whether it be learning how to link runs, handling chop an much more.

### The dates for the 2011 Oceanseries are:

Rd1 - 17th September: Rocks to Reef Dee Why

Rd2 - 8th October: Lion Island Challenge

Rd3 - 22nd October: Bondi to Watsons Bay

Rd4 - 12th November: Narrabeen Downwind

Rd5 - 26th November: King of the Harbour

Rd6 - 17th December: 20 Beaches Classic

Please pass this on to any interested parties and if you have any questions, please contact info@oceanseries.com.au
