Dave Murray spoke on behalf of Branch, Congratulating the club on its performance this year. He congratulated Casso on his award and also made mention and congratulation to Liam Yeates and Scotty Taylor for their awards. He congratulated the clubs IRB drivers, and particularly the coaches as he noted that as an examiner we always have good drivers coming through. With 152 rescues and 91 IRB rescues he acknowledge South Curl Curl as one of the busier beaches rescue wise and congratulated the club on a job well done.

Treasurers Report: Graeme Dominish summarised the financial report and highlighted that the club managed to cover the shortfall between grants and the build cost and still record a surplus as a strong result. He highlighted the contributions of our major sponsors, and highlighted the contribution of Manly Aluminium Windows and Evolution Windows in the area of the Surf Boats and Parnel Partners in the funding of the replacement IRB. Mention also went to St George bank for their contribution towards the special needs nippers program. He also highlighted that the monies from the Ocean Swim were in next years figures.

Following a question from John Cassidy in regard to Joan Kipplewhite bequest he highlighted her generosity in her bequest and advised the meeting that there was no known association between her and the club.

John White asked why we were allowing the Diggers to highlight their sponsorship and support of the Surf Club when their contribution was significantly down this year. G Dominish replied that they had made an \$8,000 grant the previous year, and that was why they were probably still mentioning us as an example of their community support.

G Dominish asked for a proposer that the financial statement be accepted. Proposed by John White, Seconded by Darren Jones. Motion Passed.

G Dominish asked for a proposer that Wong and Mayes be retained as the Club's Auditors. Proposed by Kevin Moffat, Seconded by John White. Motion Passed

Life Membership

One nomination for Life Membership was made: Wayne Setree

Raz spoke highlighting the time that Zulu has spent in the club and the high level of involvement since joining in 1982.

He highlighted that Zulu is always there to help, whether through the provision of his ute, or the replanting and fixing up of the garden beds with his own time and money.

He highlighted the role Zulu played in keeping the IRB's going as IRB Captain from 1987 – 1994, run on a shoe string budget with Zulu doing most of the repairs himself.

He highlighted his First Aid and Life Saving skills and reminded us of Zulu's Special Commendation received in 1997 for a rescue carried out when working with Telstra.

Raz made special mention of Zulu's time and success with the boats, and the time he now puts in to help new boaties learn to row.

Raz concluded by highlighting how important Zulu is in the culture of the club, he brings people in and makes them feel welcome. He encouraged the meeting to support the nomination.

Bob Buckingham then spoke in support of the nomination.

He described how Zulu achieved his nickname, and how Zulu is always willing to help out with filling patrols if needed. He highlighted Zulu's contribution to nippers, mentoring new age managers, organising the State Titles trips, and cooking hundreds of thousands of snags.

He identified how important Zulu has been in melding the Junior Club and Senior Club together into what is now one club, and has been a strong glue in that process.

Bob concluded by imploring the meeting to support the nomination

Dave Aldis then spoke supporting the nomination.

Dave reminded us how important Zulu has been in bringing people into the club, not in terms of membership but in getting them to feel involved and part of the club. He highlighted how he introduced rowing to a lot of people who wouldn't normally have rowed.

Dave encouraged the meeting to support the nomination.

Darrin Jones then spoke how we should all support the nomination, if only for bringing his wife Lisa to the club.
