NOTICE IS HEREBY GIVEN that the one hundredth Annual General Meeting of South Curl Curl Surf Life Saving Club Incorporated will be held at the South Curl Curl Surf Lifesaving Clubhouse and via Zoom on Sunday, 2nd August, 2020 commencing promptly at 10:00am.

Agenda

1. Acceptance of the meeting format which includes online attendance
2. President's welcome
3. Recording of attendance and apologies
4. Minute silence for those members who have passed during the season
5. Confirmation of minutes of the 101st Annual General Meeting
6. Presentation of the 102nd Annual Report
7. Presentation of the Balance Sheet and Financial Statements for the year ending April 2020
8. Motion: That South Curl Curl Surf Life Saving Club affiliate with SLS SNB, SLS NSW and SLSA
9. Election of the Club Office Bearers and Officials for 2020-2021 season
10. Election of Life Members
11. Announcement of Distinguished Service Awards Recipients
12. General Business

Club Patrons

Vale— Ken Harbron

It is with great sadness that within this past season we saw the passing of one of South Curl Curl's revered and honoured life members, Ken Harbron.

Ken was in many ways the epitome of a true surf life saving club member having an extensive and envious record spanning a lifetime. Ken's past records are second to none covering numerous achievements that are too many to list in this short tribute.

Ken joined South Curl Curl SLSC in 1944 as a cadet at the age of 14 years old, competing in many areas of surf life saving. In his formative years, Ken was also a keen footballer representing the South Curly Club for many years in the competitions of the day.

As the records show, Ken also separately held many committee and administrative positions spanning a number of years, including that of Club Secretary, after which in 1972/3 he was elected as an honoured Life Member of the South Curl Curl SLS Club. This was later followed by Ken being elected as our Club President in 1976.

It should also be noted that under Ken's early term as Club President of SCC SLSC, the decision to adopt a motion to recognise and accept female members was taken by the then club committee. Females had previously been denied membership under Australian SLS rules. This early adoption and promotion by our club under Ken's Presidency meant that this was later passed by the SNB Branch and then by our State body, SLS NSW and finally the National Surf Life Saving Council of Australia.

Ken is also highly recognised for both his active and administrative roles and in the late 1960's Ken was heavily involved in the introduction of "Power Rescue Boats" operation to Sydney Northern Beaches SLS. He became President and was made a Life Member within the SNB Power Boat Club Association.

Ken was also regarded as a great mentor to many club members of his day, showing great compassion in helping younger members such as yours truly, and like so many members of his era, he will always be in their hearts and thoughts for many years to come.

We join with all members, friends and his family in paying tribute to Ken as an honoured club member and a great man for his contribution to surf life saving and specifically, South Curl Curl SLSC. We stand in tribute to Ken along with all members past and present today.

Vale Ken.

Eulogy Ken Harbron – John (Mav) White –May 2020

Vale— Bob Picard

Bob Picard, born in Manly in 1927 and living his life at South Curly, was one of the post war team that joined the Curly crew in the early 1940's and continued the strong community that had begun not too many years earlier.

At South Curly, Bob was a member of a successful surfboat crew including placing in the 1947 Australian Championships. A place in the Aussies is significant but a bigger measure of the man is the involvement in the rescue of the Launch Billy and crew in high seas offshore North Curly in 1947 - in a double ended boat with no helicopters or back up power boats. Bob and all those involved in the rescue were recognised by the then Royal Humane Society for their bravery.

Bob continued contributing to the club through the 50's and in the 60's was part of the small team that developed the original jet powered surf life saving rescue boats. The Jack Wilson Jet Power Boat Team was formed at Freshwater by the Freshie, North and South Curly clubs and patrolled the three beaches for many years. The big jet boats were great but more agile smaller powered boats were needed. Bob was again in the team that played a big part in introducing "Rubber Duckies" to the surf rescue scene.

For his services to the club Bob was made a Life Member in 1967.

The late '60s was not the end of making a difference. By then the family was growing, so where else do you go, Curly Nippers of course, introducing the family to "Nippers" in the mid sixties at Curly.

Bob was a role model, someone always there to lend a hand, being part of something bigger and making a contribution.

Vale Bob.

Eulogy Bob Picard — Ken Picard, May 2020

Vale— Graham Knox / Zombie

On May 27, 2020 we lost a Titan of Surf Lifesaving Surfboats. Graeme James Knox, better known as “Zom” was born at the Mater Hospital on 5 August, 1946 passing away peacefully after a short battle with Cancer. Diagnosed in early February as inoperable, Zom continued to do what he loved (which was commenting surfboat events) until the shortened 2020 Season due to Covid-19.

Spending much of his younger years at Freshwater SLSC, then playing 1st Grade Rugby League with North Sydney & Manly before returning to Surf Lifesaving and Surfboat Rowing. Joining Sth Curly from Freshy in 1973, Zom joined forces with his “now mate for life”, Sweephead Rob Michael (Flea) in making a formidable A Crew of himself, Gary Bartle, Immintz Rama and Mick Gloag.

Their crew went on to great success, winning “heaps of races” (as Zom put it) when recollecting his rowing Career. Most notable was 3rd, NSW State Titles at Tathra and 1st at the “Interstate - Non Australian Championship” a few days prior to Aussies, Glenelg 1974.

Some older members of the club would remember Jen performing Peggy Lee’s “Mr Wonderful” to a “shirtless, coke bell bottomed panted” Zom at the Talent Quest.

Zom was involved in rowing with Sth Curly until 1988. One of the most memorable moments I have of that time was watching Ribs take the “Wave of the Carnival” at Freshwater in 1988 with the crew of Zom, Wayne Stacey, Tim Kerrigan and Jay Flower. The photo of this wave made the Back page of the Manly Daily. Needless to say, it all went pear-shaped on the inside break and the boat rolled (not due to the fault of the Curly Crew mind you!).

Zom’s children Vanessa, Simone and Nathan all Patrolled down at Curly throughout their teenage years. Taking inspiration from their father, Simone was part of the first all Female Surfboat rowing crew with Manly, while Nathan held position of Sth Curly Craft Captain over multiple seasons, helping mentor young board paddlers.

Zom, his wife Jennifer ran the Social Committee during the 80’s and the Knox family ran the Sth Curly Kiosk through 1990’s – early 2000’s on the Surf Club’s behalf. Making those famous “Curly Burgers & Vege Burgers” for the hoards who came down on a Summer’s Day.

Graeme was also a “big picture” personality in multiple arenas working for the betterment of the Community, in particular Surfboat Rowing. He was instrumental in the creation of the Surfboat Rower’s League which went on to become the now ASRL, The Uncle Toby’s Surfboat competition, Brewarrina-Bourke Outback Surfboat classic (200km down the Barwon River over 3 days), Ocean Thunder, Beach Football Refereeing, countless hours officiating at Surf lifesaving Carnivals and other tasks that make our Community’s lives “better”. An example of this was Zom delivering the Harbord Public School students’ weekly deposits down to Bendigo (Freshwater) Community Bank. Such was Graeme’s “sense of community”.

Another community location Zom (and Jen) loved was the Harbord Hilton. Many of South Curly's members who have frequented the HBH these past 40 years were always greeted by the smile from Zombie and a good catch up over a cold "schooner of black". This was indeed the location where Flea and Zom first met and recruited Zom into the A Crew!

The last 20 years saw Zom take ownership of the microphone in commentary of our local surfboat carnivals. There were few others who knew as much about the crews competing, who was sweeping and their record of past success?

The Zom packed enormous amounts into his shortened life. Other contributions are mentioned in various tributes to the Great Man via other media sources and Associations.

Graeme has left a legacy on the Northern Beaches that will be long remembered. We at South Curly were fortunate to have him as part of our family directly and indirectly since the 1970's.

Zom was on the Goldie when (Sean) Seen Stacey swept his Junior Boat Crew to Aussie Gold (first since 52) and opened his accommodation to a Curly party straight after the victory. At the time, a young Elton was part of the crew and went on to marry Zom's daughter, Vanessa. Of Zom's seven grandchildren, the eldest Julian now proudly wears the Royal Blue, White and Gold competing for Curly.

Even in his final weeks, Zom was cheering his beloved Sth Curly Crews to success at the State Championships.

Z.O.M. ...FM, Signing Off.

Vale Graham "Zombie" Knox
Eulogy Graham Knox—Elton McKay, June 2020

President's Report

It was hard to put a positive spin on season 2019-20 when everything ground to such a sudden halt. First the State was rocked by bushfires, then we had a once in a decade storm, which buried the beach in burnt timber. Then came the lock-down due to the COVID-19 virus. However up until then, the season had been very successful. We should be grateful that we got so much in before it all stopped, and at least our Nippers managed to complete their season!

The strong involvement of Nipper parents, plus the progression of Nippers through to cadets, juniors, seniors and competitive rowers is one of the most significant reasons why our Club is so great. Surf education and safety for all ages is one of our key objectives. Each year the juniors have a board training camp and this year was no exception. Our Cadets also had their annual start of season trip up North to Treachery at Seal Rocks.

Our special needs 'Ripper Nippers' program continued this season, and I would like to thank all the dedicated parents and helpers who make this so successful. Also thanks to Mona Vale SLSC for again hosting the Special Needs Carnival again this season. It was pleasing to see such a diversity of results with South Curl Curl well represented. After the surf boats, this is the next most competitive section of the Club.

As with the previous year, this season we ran with 25 patrols. Each Patrol completes 5 or 6 half-day patrols for the season. I would like to personally thank everyone who put in the hours and kept our beach open and safe. This season we had 242 active seniors 15 and above, 40 cadets and 382 junior members.

Our education and training continued soundly this season, and was near to examination of the final bronze squad when the shut-down occurred. We therefore have a trained group so close to completion, and just awaiting the chance to finish. I would like to commend all the dedicated trainers and helpers for their efforts, and hope they found it as rewarding as their students did.

Our season in surf boats was also going extremely well until the shut-down. The State carnival was described as taking out the full set of silverware; this was a 1st, 2nd, 3rd, 4th 5th and 6th in respective finals, plus another 5th in the relay which should have been a 1st. Masters had a 1st in the 240 years event. This really counts as 8 finalists out of 9 divisions, which is an amazing achievement. We also had another successful national representation in the U23's this season. From what I heard, winning the right to represent Australia is tougher than the race itself. We had 4 crews in the Interbranch, 2 crews selected to represent State (U19 girls and Open men's), plus the one representing Australia. Four crews also made the Australian Open title finals. To quote our esteemed sweep Termite, this was shaping up to be our most successful season ever. Let's hope the momentum carries forward!

Both our Club Championships and the annual Ocean Swim from South Curl Curl to Freshwater were cancelled. We did however manage to get in another cricket day, which was a rather competitive event followed by a nice laid-back social event back at the Club House. South Curl Curl has continued to be a real niche location on the Northern Beaches, being so close to popular tourist places like Manly but being a small community-minded location. Many who find south Curly are pleasantly surprised and often keep coming back .

This has been my third year as President, and I would like to thank our dedicated committee who make my role manageable while working full-time. One of the remaining exercise options lately has been ocean swimming, and a group of locals have really got into it with swims almost every day. Whilst not a club activity, last season four of our regular swimmers joined the club, completed their bronze and are now patrolling members.

I would like to thank our sponsors, who have been instrumental not just in helping purchase essential equipment but also for being involved in and around our Club. Our biggest sponsor is Freshwater Community Bank, a branch of Bendigo Bank. They have supported us for many years now, and we really appreciate the close working relationship. Sydney Beach Homes has an increased involvement, and Stone Real Estate continues as a long-term supporter as well.

Our Café – ‘Gusto on the Beach’ continued to trade through the pandemic, and thanks to all the management and staff, and also to Seven Miles Coffee for their support.

Here’s looking forward to a new season, run as normal as possible whilst maintaining safe social distances and watching out for each other.

Graeme Dominish Club President

Secretary's Report

Despite the additional challenges presented by the COVID pandemic South Curl maintained its record of safe operation throughout the 2019-20 season. Thank you to all members for your contributions throughout the season – particularly your prompt response and compliance with the changing circumstances presented by the restrictions.

Thanks go to the Patrol Captains and all patrolling members for keeping the beach safe. The season was cut short this year when patrols and normal use of beaches was shut down by SLSNSW – the final patrol occurred on March 22. The Club plans to acknowledge qualifying members with a National Patrol Service Award in recognition of their sustained service. Many thanks go to Chuck and Scott for their work running the IRBs again this season. The IRB section has a full complement of rescue ready equipment enabling response by the Club to incidents at all times, subject to SOPs.

Well done to our dedicated group of Training Officers who run the Club's Bronze Medallion courses, advanced courses and proficiencies throughout the season. Our Patrol numbers and depth of qualifications remains amongst the best in the Branch. This means that our patrol roster requires 5 or 6 half day patrols per member for the season, less than many other Clubs.

Thank you to Nipper Chairman Saul Carroll and all Age Managers and many helpers who ran Junior Activities this season. We are grateful to Saul for his work running Nippers over the past three years and welcome Matt Fitzgerald as incoming Chairman next season. Fortunately the Juniors were able to complete their schedule of Sunday morning activities however the end of season trip away was cancelled due to the restrictions.

We thank outgoing Resident Officers Charlotte and Mike for their sterling service over the past three years. At the same time we welcome incoming ROs

Daana and Jacob and wish them a successful tenure in this important role. The caretakers flat has received a much needed refresh and looks as good as new.

The South Curl cafe adapted well to the imposition of pandemic restrictions and continued to trade profitably with the takeaway only format. The high number of walkers using the South Curl beach front during lockdown no doubt assisted the café operation. Thanks go to Brendan, Lisa and their team for running the café successfully during this challenging period.

The building will receive some much needed maintenance from Council during the off-season including repair of the corroded lintel in the patrol room and repainting the exterior of the building. Earlier in the year Council provided a draft lease to Branch and the SNB Clubs for review and feedback. South Curl has provided comments to Branch and feedback from all involved Clubs will be consolidated as part of the lease negotiation process with Council. The Club will request that the building footprint area be slightly enlarged to improve storage space and access. The current lease expires in August however the Clubs use of the building may continue until the new lease is finalised.

The use of technology continues to develop at South Curl. Due to the COVID restrictions the Committee conducted two meetings (April, May) using an electronic platform as physical meetings at the Club were not allowed. In June the restrictions were relaxed and most participants attended the Club for the monthly meeting and a few preferred the electronic option provided. SLSA eLearning has become an important means of delivering member training. The annual Bronze Medallion proficiency includes an online component that all patrolling members are required to complete. The Club Committee members have also undertaken online training and recently undertook a Governance course intended to help the group understand its management responsibilities.

Thanks to our many Club, Branch and State sponsors whose continued support is much appreciated. Finally, thank you to all committee members for their service throughout 2019-20 and we look forward to working together again next season. The Club membership is similar to prior years.

	Active members (15+ yrs)	Cadets (13-15 yrs)	Juniors (5-13 yrs)
2019-20	242	40	381
2018-19	226	30	380
2017-18	209	37	402
2016-17	239	30	416
2015-16	228	39	419
2014-15	233	28	431

We thank our Branch and State sponsors for their support of our movement.

Club Captain's Report

If you want to sum up 2020 in a word, it would be UNPRECEDENTED!

We kicked off the 2019/2020 season in the usual fashion, with patrolling members performing their volunteer duties at our glorious beach keeping the public safe. Training for courses commenced, the competition season kicked off, annual proficiencies were completed, nippers started. Business as usual..... Surf Lifesaving NSW became part of NSW State Emergency Service, and was soon put to the test, with numerous call outs to members to assist with the devastating and UNPRECEDENTED storm, flood and bushfire crises that ensued.

Making the most of the swells

The Branch Director of Lifesaving, Adrian Hill, passed on his thanks to the members who responded to callouts. I would also like to personally thank the South Curl members who helped out, going above and beyond their usual club duties in these difficult times.

And just when we all thought that we could start to move forward after these devastating events, another UNPRECEDENTED event in the form of pestilence reared its ugly head. COVID-19/Coronavirus/SARS-CoV-2 - call it what you will but this pesky little virus triggered a pandemic, dramatically altering our way of living as we know it.

To protect the safety and welfare of volunteer lifesavers and the public, the SLS NSW Board made the UNPRECEDENTED decision to cancel all volunteer patrol services for the remainder of the season. As a result, the 2019/2020 patrolling season ended prematurely at the end of March and the Club went into lockdown.

As I write this report, restrictions are easing but life as we knew it has changed and we are all still in uncertain unsettling times adjusting to a 'new norm'. Your patience and cooperation in the coming months and next season will be greatly appreciated.

SIGNIFICANT DEVELOPMENT THIS SEASON

Following a NSW Coronial inquiry a number of recommendations were implemented this season by SLS NSW, Branches and Clubs.

All our Patrol Captains completed Supplementary eLearning for Patrol Captains and attended a mandatory face to face session run by Branch Duty Officers. Going forward all Patrol Captains will be required to complete an annual Patrol Captains proficiency.

GEAR INSPECTION

By joves, I think they've got it!!! South Curly has certainly improved when it comes to gear inspection. Well done and thank you to all involved in the Gear Inspection on 18 August 2019 – special mentions go to Steve Birch, Woody, Pete Tesoriero, Cathie Dossetor, Shane Burke, Pete Allen, Chuck, Graeme Dominish, Spook, Matt Campbell, Mike Le Geyt, Saul Carrol, Matt Fitzgerald and Alex Braaskma.

NEW EQUIPMENT

4 new radios, 2 in the IRB shed for emergency callouts.

Yellow resus bags - one via NSW government grant. Life jackets for the IRBs (mandatory requirement). Rescue board stands – one of the recommendations from the Port Macquarie inquest.

Patrol equipment table - thought it was a useful idea to get the old 'sharpie' pen out and write all of the equipment required to be put out when on patrol. Feedback was positive so this will continue into the next season.

PATROL OPERATIONS APP

This year we went paperless with the patrol logs (with the exception of a couple of, dare I say, UNPRECEDENTED instances!!)

Thank you to the Patrol Captains and Patrol App Champions for facilitating this. I would like to commend you on embracing the technology. I know that a few of you struggle with change and were all too happy to let me know it! Hopefully COVID has made you all even more tech savvy.

PATROLLING HOURS

Total patrolling hours for season were 4,481, including hours credited by SLS NSW for rostered patrols during the COVID period (so members did not miss out on patrol hours).

Top 5 Patrolling Hours at South Curly	Hours
Matthew Campbell	43.23
Kurt Braden	41.25
Ben Webster	37.5
James Carley	36
Shane Burke	32.5

Top 5 Patrolling Hours—Club & Branch Rosters	Hours
Zara Howes	83.75
Ben Humel	49.25
Matthew Campbell	43.23
Kurt Braden	41.25
Martin Brannan	41.25

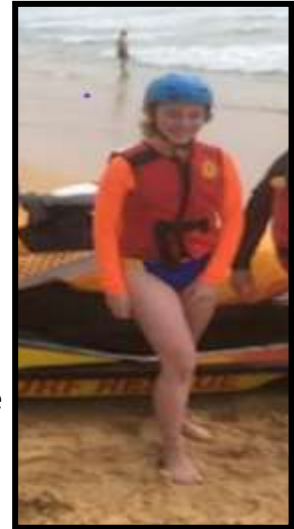

Branch Activity	Members Assisting & Credited with Patrol Hours
Voluntary Welfare Check During Storms	Graeme Smith, Cristina Cannon, Graeme Dominish, Richard Agius
Bush to Beach	Jodi Le Geyt, Mike Le Geyt, Niamh Fitzgerald, Zara Howes, Luca Stein, Mary Mulvey
SLS Support Services—UAV	Martin Brannan, Matt Campbell
SLS Support Services—RWC (Jetski)	Ben Humel

Member Recognition

Junior Patrol Member of the Year – Zara Howes

I first met Zara a couple of years ago and my how things have changed. At first she was very doubtful of her ability and skills, but her determination saw her complete her Surf Rescue Certificate and go onto to complete her Bronze Medallion, Advanced Resuscitation Certificate and Provide First Aid Certificate.

Many of you will recognised her as the young girl who helps the Patrol Captains with the Patrol Ops app!! Zara patrols at both South Curly and North Steyne, competed in Branch First Aid Competitions, and helped with training the last 2 SRC squads, proficiencies and the Bush to Beach programme at South Narra-been. Zara was selected for the SLS NSW Youth Opportunity Makers programme (unfortunately cancelled due to COVID) and will she commence her Training Officers award in the coming season. I’m exhausted listing all of her achievements. Well done and Congratulations Zara.

Patrol Member of the Year – Ben Webster

Since joining the club as a nipper parent, Ben has gone on to gain his Bronze Medallion, Advanced Resuscitation, IRB Driver and Spinal Management awards. He is a valuable member of Patrol A and all-round good guy. Ben often helps out when someone has requested a patrol swap, and often generously not needing the swap to be reciprocated. Ben is a skillful waterman. He enjoys the water and patrol duties. He has also helped with the Bronze Medallion training, water safety, IRB training and other club events. Congratulations Ben.

Patrol Captain of the Year – Lloyd Harrison

Lloyd is one top notch PC. He was appointed PC of Patrol L about 3 years ago with mainly newly qualified nipper parent Bronze Medallion holders. Lloyd has maintained a cohesive patrol team who are always having fun whilst patrolling South Curly. Lloyd always contacts the patrol a week before. He is organised, delegates roles, briefs the team at the beginning of the patrol including getting the all-important coffee order. Lloyd engages the SRCs on the patrol giving them responsibilities and making them feel like part of the team resulting in them turning up to all patrols. He embraces any changes that are introduced eg, the Patrol Ops App, Patrol Captain mandatory sessions and e-learning and just gets on with the task at hand. He effectively manages and reassesses the beach set up during patrol with a ‘prevention is better than cure’ philosophy whilst on patrol. In addition to his Patrol Captain skills, Lloyd is often called upon to help out with IRB driver and crew training as a content expert. Congratulations Lloyd.

Patrol Team of the Year - Patrol L

Patrol L was formed about 3 years ago with Lloyd Harrison at the helm. Made up of mainly new Bronze Medallion holders who are parents of young nippers. This patrol team has grown from strength to strength with almost all members gaining higher awards. Patrol L always get their proficiency done early in the season, including the new online component. There are 5 SRC kids who enjoy turning up to patrol as well. They do not appear in the photo as they are off on a roving patrol or getting the coffee! A special mention to Colin the preventative actions master, as his main objective on patrols until recently is not to get wet! His whistle skills are second to none!

Patrol L members: Lloyd Harrison, Jodi Le Geyt, Guy Waddilove, Shane Burke, Martin Bennett, Matt Fitzgerald, Colin Dodd, Alex Le Geyt, Toby Skelton, Hugh Miller, Oliver Meade, River Marney.
Congratulations Patrol L.

Final Thanks

Despite the season being cut short, South Curly was still busy up until then. I would like to acknowledge and thank all patrolling members of South Curly for your time keeping our beach safe and I look forward to seeing you next season.

Jodi Le Geyt
Club Captain

Treasurer's Report

It gives me great pleasure to present the financial report for the year ended 30 April 2020. I am pleased to report that our cash position increased \$51,662 over the year. As at 30 April 2020, cash and cash equivalents were a healthy \$315,003.

The income statement shows a net deficit for the year of \$50,038, but this includes \$141,560 of non-cash expenses; depreciation of fixed assets of \$133,281 and a write down in the carrying value of clothing inventory of \$8,279 to more correctly reflect the lower of cost or net realisable value. Underlying cash profit was \$91,522.

Capital purchases in the year totalled \$49,861, comprising mainly leasehold improvements and equipment for the café of \$36,389. The club also received \$8,500 as a contribution towards forthcoming security capital works, which has not been reported as income.

The following are highlights from the income and expenditure statements:

Cafe "Gusto on the Beach"

The cafe operated for a full season and generated a \$63,000 surplus for the club, plus \$9,840 of equipment hire income and increased Seven Miles Coffee rebates of \$20,657 (mainly because the rebates for the April 19 year were not received until June 19).

Donors and Grants

A full list of donors, sponsors and grant income is included in the detailed income statement. Significant contributions included:

- Freshwater Community Bank Bendigo, \$5,600
- Seven Miles Coffee sponsorship, \$5,000
- Sydney Beach Homes, \$2,000 as a key sponsor and contributor to our surfboat activities.

Other income highlights:

- Membership subscriptions were at \$57,964, 2% lower than the prior year;
- Hall hire and social function income were negatively impacted by COVID-19 lockdowns, commencing in March 20. Prior year social function income (and expense) also included the 100 year celebration revenues and costs;
- The annual ocean swim event was not held in April 20 due to COVID-19 restrictions; and
- Interest income increased \$3,708 to \$8,428 due to timing of interest receipts and higher average term deposit balances throughout the year.

Paul Brittain
Treasurer

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2020**

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2009 (NSW) and the Associations Incorporation Regulation 2010. The Committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the following Australian Accounting Standards:

- AASB 1031 Materiality
- AASB 110 Events after the Balance Sheet Date

No other Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis, is based on historic costs, and does not take into account changing money values except where specifically stated.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

NOTE 2 CASH

Cash and Cash Equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturity of six months or less.

	2020	2019
	\$	\$
Cash on Hand	2,260	3,092
Bendigo Bank Trading Account	59,782	70,616
Bendigo Bank Term Deposits	224,589	161,175
Bendigo Bank Cash Management (Gift Fund Account)	10,938	10,523
Bendigo Bank SCC Café	17,434	17,935
	315,003	263,341

NOTE 3 RECEIVABLES

Goods and Services Tax	441	4,733
Credit card clearing - SCC Café	1,950	0
Accrued Income - SCC Café	0	5,835
	2,391	10,568

NOTE 4 PROPERTY, PLANT & EQUIPMENT

Property, Plant and Equipment are carried at historical cost less, where applicable, any accumulated depreciation.

Property, Plant and Equipment (excluding Leasehold Improvements) are depreciated over the useful lives of the assets to the Club commencing from the time the asset is held ready for use.

Leasehold Improvements are amortised over the estimated useful lives of the improvements, which may extend beyond the expiry of the current 20 year lease on 30 August 2020.

	2020	2019
	\$	\$
Property, Plant & Equipment (excluding Leasehold Improvements)

NOTE 6 CHARITABLE STATUS REGISTRATIONS

Australian Taxation Office:

The Club is endorsed as a public benevolent institution thereby conferring income tax exempt and Deductible Gift Recipient

Charitable Fundraising Act 1991:

The Club holds a fundraising authority (authority issued to Surf Life Saving New South Wales Inc).

Australian Charities and Not-for-profits Commission (ACNC) :

The Club is registered as a Charity with the ACNC.

NOTE 7 REVENUE AND OTHER INCOME

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

NOTE 8 GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset(s), or as part of cost of the item(s) to be expensed.

NOTE 9 THE C W DOODSON BEQUEST

South Curl Curl SLSC acknowledges the generosity of the late C W Doodson's Bequest.

The bequest enables the Club to utilise income whilst maintaining the integrity of the capital amount bequeathed of \$191,623.33.

The income of the bequest is accounted for in the financial report as follows:

	2020	2019
	\$	\$
C W Doodson's Bequest:		
Capital as at 1 May	191,623	191,623
Interest received on Bendigo Bank Term Deposits	4,885	3,963
Amount transferred to South Curl Curl SLSC	<u>(4,885)</u>	<u>(3,963)</u>
Capital at 30 April	<u>191,623</u>	<u>191,623</u>
Capital as at 30 April comprises:

Net income	<u>4,885</u>	<u>3,963</u>

**SOUTH CURL CURL SURF LIFE SAVING CLUB INC.
AND CONTROLLED ENTITY
ABN 88 589 451 919
STATEMENT BY MEMBERS OF THE COMMITTEE**

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial report.

In the opinion of the Committee:

- 1 the financial report presents a true and fair view of the financial position of South Curl Curl Surf Life Saving Club Inc and Controlled Entity as at 30 April 2020 and its performance for the year ended on that date; and
- 2 at the date of this statement, there are reasonable grounds to believe that South Curl Curl Surf Life Saving Club Inc and Controlled Entity will be able to pay its debts as and when they fall due.
- 3 the financial statements and notes satisfy the requirements of the Australian Charities and Not for Profits Commission Act 2012.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President 
Graeme Dominish

Dated this 26th day of July 2020

**SOUTH CURL CURL SURF LIFE SAVING CLUB INC.
AND CONTROLLED ENTITY
ABN 88 589 451 919
CHARITABLE FUNDRAISING ACT 1991
DECLARATION BY PRESIDENT**

In my opinion:

- 1 the income statement gives a true and fair view of all income and expenditure of South Curl Curl Surf Life Saving Club Inc with respect to all fundraising appeals;
- 2 the Balance Sheet gives a true and fair view of the state of affairs of South Curl Curl Surf Life Saving Club Inc with respect to fundraising appeals conducted by South Curl Curl Surf Life Saving Club Inc;
- 3 the provisions of the Act, the Regulations under the Act, and the conditions attached to the Fundraising Authority have been complied with by South Curl Curl Surf Life Saving Club Inc; and
- 4 the internal controls exercised by South Curl Curl Surf Life Saving Club Inc are appropriate and effective in accounting for all income received and applied by South Curl Curl Surf Life Saving Club Inc from any of its fundraising appeals.

President

Graeme Dominish

Prize money and other sundry revenues	10,523	945
	223,680	208,283

Boat Captain's Report

NOTES FROM THE SWEEPS:

From Mark (Gus) Spiteri

Sneaky Nuts

First year as U23 men racing some pretty big crews with the boys competitive with the quickest crews in the country. Good results right through the season with a win at the Collaroy Young Guns, and 4th in the Final at the State Titles. Great work all year and very proud of how they helped train the Humps & Bumps in the Gym

Curly Girlies

After a number of years together with some crew changes along the way the girls really learnt how hard they can really go. Massive improvement this year and results to show. Winning the branch premiership, selection in the interbranch team and a Bronze medal at the state titles the high light. The pre season work and the out of boat training really set the tone for the year... great stuff

Humps & Bumps

As reigning Aussie champs from 2019 they were the ones to catch. They showed this early in the season by not being beaten in a race until late Jan. A win at Collaroy Young Guns, Branch and State Representation were well deserved. Awesome performance at the ASRL saw them leading the final 2 boat lengths from the line in dead flat conditions. It was not to be, but they handled the defeat well and trained the house down for the end of the season. Injury meant we missed the state and no Aussies of course. They have one more year in U19 and are keen as.

Spice Girls

Lara Campbell spent all season putting this crew together and succeeded late in Jan with the additions of Emma, Georgie and Sarah. Awesome performance to make a state final with 6 weeks training as a crew. The girls are keen again this year but we will lose Lara to studies in Melbourne as an Air Traffic Controller, congrats and good luck.

From Chris (Ribs) Flemming

Another year gone and again we showcased our strength as a club with a special bunch of rowers who continue to motivate and encourage each other. Motivation is the reason we do it so well and everyone in the club understands the importance of teamwork. As competitors, we have always had the backing of the club at the top end which is much appreciated. Also a big thank you to all the officials within the club who continue their support and make it possible for us to compete - Casso, Spook, Mav, Matt, Jeff, Jen, Graeme, Martin and our boat captains John & Jono. T

The "Echidnas"

Bjorn, Jacob, Luke and Kurt – what a great year for a crew rowing together for the first time. Kurt made great progress for a first-year rower. From the time we kicked off the season, you guys took ownership of the program, no excuses or cutting corners and everyone contributing on how we could get faster for the next season. As a team you have never failed to deliver. Judging by this season, if the hard work and desire is there, success next season is not far away. Being a part of this crew has been enormously satisfying.

The Masters "Whitebread"

Bucko, The Whale, Marko, Champ and Opie. As usual another solid year. Two outings for two gold, ASRL and State. These guys are fierce competitors for their age, and they are a huge part of the club DNA. They have been, and still are, respected leaders and role models who continue to contribute to the ongoing development of our club. They have always known what was required to achieve ongoing success and I have been privileged to have been a part of it.

Thanks again for a great year.

From Rob (Termite) Lowery

- Death Riders Men's A Crew
- Lamp Men's Under 23 crew
- Underdogs Men's Under 19 Crew

Fantastic season for my three crews cruelly cut short. At Seasons end under the National Ranking system A Crew were ranked 3rd In Australia, Lamp were ranked 1st in Australia and Underdogs were ranked 3rd in Australia. Considering two of those crews were in the Relay, AND that the A Crew were also defending their gold medal from last year in the Short course, we were confident of an impressive Aussie performance.

The Underdogs started a new rower late and immediately it paid dividends as they were fast at the back end and placed at Manly Carnival, then made the ASRL Australian final and looked like gaining the silver before being pipped into fourth on the line. In the last hit out of the year the NSW State Titles, the Underdogs overcame a difficult start to row through the field and claim the Gold on the line. They also made the Relay final and rowed the club into the gold medal position before the sweep screwed up and stacked the boat. They have another season in U19 next year and will be back. Put your house on them and your mums house.

The Lamp picked up where they left off as the standout U 23's crew in Australia. They won several local carnivals and were selected as the Northern Beach U 23's Crew and were also successful over 10 rounds to become the First ever South Curl Curl U 23's Australian Side (backing up from winning the state selection carnival over 6 rounds the day before !). In the Trans-Tasman Cup they defeated the NZ Side 3 – 0 and also defeated the New Zealand Open Men's Crew 3 – 0, they were extremely competitive with Australia's Open team. They went on to make the final of The ASRL and were cruelly knocked by a rogue set when they looked in a dominant position, unfortunately finishing fifth. The first time in 5 years they haven't medalled at the ASRL. In their last race of the season they finished 2nd in the NSW State Titles after leading all the way home, with their great rivals Palm Beach flashing home on a runner in alley six to nip them on the line. Their fifth successive State final including two gold medals. They have another season in U23's and put your house on them, your mums house, and your best friends and distant relatives houses on them.

The Deathriders, performed in the hardest division of all (daylight second) ... The Men's A Grade and they excelled. Ranked 3rd in Australia when the season was canned, they were ready to explode at the Aussies after bad luck in both the State and ASRL carnivals. They were running in third place in the Ocean Thunder and won Ocean Thunder two. They won at North Cronulla and won the Manly carnival by miles. They were selected as the Northern Beaches A Crew and the NSW State A Crew. They would have won Gold in the State Relay if not for their pilot... will also go around again next year, maybe just put your investment unit on them as this division is brutal.

The above is just results, the reality is we had 12 guys who left their egos at the door and ripped in for each other. All of them trained and competed in the other crews, highlighted by Tremayne Chivers stepping up to Row for Australia (as a junior). It was common for one rower to row multiple divisions at carnivals. They didn't argue, hissy fit, make excuses, Nothing. We laughed and smiled all year, we sacrificed easily, we personally performed, and we helped the group perform. We did our Patrols, we made rescues. I realise with age that this was what made the season a one in a hundred and was fantastic just to have a front row seat with these fine men. I think, we can do it again and I can't wait.

Wayne (Zulu) Settree

Zulu also started a few crews this season that we hope to see more of in the future as they develop and get a full season of training and competition in. They were: - The Yo Yo's, The Bit & Pieces & The Hot Tub Machine.

FROM THE BOAT CAPTAINS JOHN OXLEY & JONO BEAVON

I know there was disappointment from all rowers and sweeps that the season was cut short due to COVID. I am pleased that everyone in the surfboat arena and club in general managed to stay healthy and I know will be looking forward to ripping in next season.

Thanks to the committee and sponsors for the season and working with us to ensure we had the equipment required for all these crews to train and compete at a high level and working hard through the COVID situation as there were a lot of tough decisions to make along the way to fall in line with government guidelines. Thanks to the all the boaties for meeting their obligations on patrols as it so important as we have so many active members in the boatie's fraternity.

Thanks to Trent rogers the gym captain for managing the club gym and ensuring it is at a standard for all the boaties to train together along with other club members.

Thankyou to all the sweep's & coaches who put in so much time and effort in training and competing which was a total of 12 crews this year. A huge effort and sacrifice which I know impacts your own family and working lives. It is much appreciated from all of us.

We look forward to next season being involved in and out of the boat. Thanks.

John Oxley/Jon Beavon Joint Boat Captains

Chief Instructor’s Report

The season started off in the usual fashion.

Shortly after gear inspection our training team completed their pre-season updates and re-endorsements. This was on top of the extremely time-consuming Certificate IV in Training & Assessment (TAE40116) upgrades that some of our training team completed to meet the latest national vocational education and training (VET) requirements.

Our patrol captains were the next cab off the rank. This season all of our patrol captains completed the ‘Supplementary Learning for Patrol Captains’ online module and attended a face to face session with a Branch Duty Officer / Rescue Coordinator (RCO). This training is the ‘new normal’ and addresses a number of findings from the Port Macquarie coronial inquest and workplace requirements (although we are volunteers our surf club is a workplace and SLS NSW is now part of NSW Emergency Services).

Patrols started in September and we started the annual ‘grind’ of encouraging members to renew their membership and complete proficiencies. To put the task into perspective our club has approximately 300 patrolling members and we processed proficiencies for 650 individual awards.

Thank you to our Assessors, Delegates and helpers that ran proficiency sessions this season, particularly:

- Michael ‘Chuck’ Berry
- Jodi Le Geyt
- Kevin Moffat
- Steve Birch
- Glenn Everingham
- Sue Hanley
- Craig Blake
- Natalie Neary
- Zara Howes
- Patrol Captains.

Our Branch Awards of Excellence Nominees

Natalie Neary -Our Trainer of the Year

**Michael ‘Chuck’ Berry -
Our Assessor of the Year**

This season SLSA allocated mandatory e-learning to all patrolling members, with more mandatory e-learning expected next season with the roll out of the new Public Safety and Aquatic Rescue (Bronze) Manual. The mandatory e-learning is allocated by SLSA and SLS NSW, so there is no point whinging to the training team about it or ignoring it.

For those of you that need to be proficient by a specific date (particularly competitors), please bear in mind that the date and time that a module is completed is recorded on the e-learning platform. Despite multiple prompts, we were still following up members right up to 31 December to which placed an unnecessary strain on the training team and is a thankless task.

In what seems like ages ago, our U14s started training for the Surf Rescue Certificate (SRC) and we had another enthusiastic bunch sign up for the spring Bronze Medallion squad. Both squads completed their assessments in December, and quickly integrated into their patrols and club activities.

Surf Rescue Certificate (SRC) Squad

The squad was trained by Mike and Jodi Le Geyt, Natalie Neary (Training Officers), Paul Monnington, Ken Johnston and Nick Careless (Age Managers), parents, and some of our younger patrolling members – special mentions go to Zara Howes, Gordon Carroll, Chloe O’Reilly and Amelia Byrne.

With our SRC courses we will continue to prioritise Nippers that have come through our Nippers program.

Bronze Medallion Spring Squad

We ran our usual Spring and Summer squads this season. Besides COVID-19, our main challenge at South Curl continues to be unfriendly surf conditions with the ‘Beach closed’ sign going up.

Thank you to Sue Hanley, Natalie Nearly, Glenn Everingham and Chuck who trained the squads, our Bronze Assessors – Chuck Berry, Glenn Everingham, Craig Blake, and Mike Le Geyt, and the many members that help out with training sessions.

A steady stream of members volunteered (or could not refuse Kevin Moffat's invitation to sign up) for IRB crew and driver training, we ran two Advanced Resuscitation Techniques (ART) courses in house, and some members completed Branch facilitated courses to improve their knowledge and skills.

Kevin Moffat was once again the organiser of most of the IRB training, and was assisted by Graeme Dominish, Chuck, Peter Allen, Lloyd Harrison, Matt Campbell and Ben Webster. Chuck, Steve Birch, and Andrew Blenkinsop all assessed IRB Awards during the season.

Advanced Resuscitation courses

We are now running the ART courses in house again, which has several benefits:

- We train members on our club equipment, so they know how to use and maintain it.
- Members have time to absorb and retain the required knowledge.
- We can incorporate adequate scenario practice, which is what really matters when incidents occur.

Our Bronze summer squad kicked off in early February, only to be suspended a few weeks later due to COVID-19. COVID-19 impacted 250 Bronze Medallion candidates from 15 clubs across our Branch, and scuppered the Advanced Resuscitation, Beach Management and Gold Medallion sessions that we were planning to run towards the end of the season. Voluntary patrols also ceased early, so we expect members to be a little more rusty than usual at the start of next season.

Other highlights for the season:

- Mike and Chuck - completed the Certificate IV in Training and Assessment (TAE40116) upgrade, and were appointed as Assessors-in-Charge (AIC) at Branch Central Venue Assessments.
- Sam Le Geyt - completed his Gold Medallion (Advanced Lifesaving) proficiency.
- Ben Humel – is now a RWC (jetski) operator as part of Branch Support Operations.
- Martin Brannan and Matthew Campbell - are now UAV (drone) operators.
- South Curl Curl members once again supported the Freshwater Community Bank® Branch of Bendigo Bank Community CPR Courses.

Our main focus at the start of the 2020/21 season will be the roll out of the updated Public Safety and Aquatic Rescue (Bronze) Manual and the new Surf Rescue Certificate (SRC) and Bronze Medallion courses. Before we can deliver the new courses, our endorsed trainers and assessors will need to attend training sessions and complete upgrades.

We have yet to see the skills maintenance (proficiencies) requirements for the 2020/21 season, however there will be additional content to cover and changes to patrol operations (for example, Bronze Medallion holders will no longer use oxygen).

Other priorities for the 2020/21 season are as follows:

- Upgrading Advanced Resuscitation Technique (ART) holders to the latest ART[AID] award.
- Supporting our members to gain higher awards, including the Gold Medallion.
- Continuing to developing our 'Next Generation', including new and potential Patrol Captains.
- Looking forward to an enjoyable and COVID free 2020/21 patrol season.

Mike Le Geyt
Chief Instructor

TABLE 1 - Award coverage

South Curl continues to punch above its weight compared to other clubs in the Branch in term of proficient patrolling members and award mix.

We continually monitor patrol member attendance and award mix by patrol to ensure that 1) we meet our obligations under our Lifesaving Agreement and 2) each patrol has a good balance of skills, experience and proficient awards to manage the beach and any incidents.

SLSA Award	Proficient Patrolling Members ¹

Junior Activities Report

The Nippers season got off to a fantastic start with some focused board sessions at Manly dam held for two age groups at a time for the first few sessions of the year. This allowed the kids to get their board cobwebs dusted off on some nice, flat fresh water and a BBQ to follow. This also allowed the other age groups to maximise their time on the beach, in the pool and the ocean back at the club. Classic South Curl Curl conditions on a Sunday morning did ensue, but we were lucky in the early part of the season to get the beach open and the kids in the water. The usual phenomenal support was had from our water safety, our patrol and the council lifeguards which meant we could access the water as much as possible.

Nipper numbers were up on last year across the board, but continued the downward trend from the peak a few years ago. However, we are still seeing great retention in the older age groups, well above other clubs and it's a great sign for the future of South Curl Curl patrols and competition come 2025 and beyond.

Again, this season's SRC squad provided a very strong core of teenagers transitioning from Nippers to Junior members and joining patrols. As the bridge between junior club activities and senior club activities, the SRC is the first real qualification that young club members can attain; and allows successful participants to join patrols. Congratulations to all the U14's and a special mention to Luca Stein and Niamh Fitzgerald and for representing the club at the branch Junior Life Saver of the year award.

Sippers this year continued the festival of gourmet delights introduced last year by Glenn and Matt and is always a great regular event for all club members to meet and mingle. This year, the legendary music of Jason was sorely missed, but the pleasure of a few drinks, a nice feed, some great chats and the kids dispersing over the beach in abandon was still there.

A particularly fun evening is the sippers following the Christmas nippers. Many thanks to the parents who helped out with cooking, bar, kitchen and clean-up duty. It's great to see more and more of the newer members engage socially, meet more people and become part of the South Curly Family.

This year our Board Camp managed to spend 2/3 days on our own beach. It is always a highlight of the Nipper calendar and gives the opportunity for 3 full mornings of boards, boards, boards and more boards. We had only a minor interruption to services with a shark alarm, but the excitement that created was immense. The help provided by the older cadets really engages the younger Nippers and provides valuable skills transfer. We are again lucky that we have a core of cadets that are willing to come down and give their time and energy. The board camp couldn't be achieved without the voluntary help of age managers, their partners, parents and the trainers, before and during the three days, who have given up their time....a huge thank you to you all, especially the trainers: Sam Le Geyt, Bodhi Spijker and Douglas Carroll; assistant coaches Owen Saunders and Paddy Mulvey; as well as the Cadets performing water safety: Gordon Carroll, Niamh Fitzgerald, Mary Mulvey, Zara Howes, Josh & Sammy Johnston, Mali Spijker, Leela Thomas, Shaan Herbert, Logan Howes, Luca Stein, Anika Braaksma, Grace Careless.

The Nippers All Age Challenge Cup was finally won by the Under 10's after a most epic tug o'war contest the likes of which no beach has ever seen - due in no small part to Master of Ceremonies Steve Rudd. Well Done Steve Thomas and the U10 Team who finally get their hands on that elusive trophy! We managed to end the season on a high and just in time before the full impact of isolation due to COVID 19 hit. After the last few months of limited outdoor excursions and social contact, it makes us realise just how valuable our club is to our members and the community. Unfortunately, the end of season Surfari down to Racecourse Beach had to be cancelled, a difficult, but correct decision to make....next year we will make up for it.

The Nippers at South Curl Curl is run by volunteers. All the age managers, assistant age managers, beach safety, clothing and first aiders are volunteer club members and (usually) parents of kids who give up their Sunday morning. It would not be possible to run Nippers without this commitment, and I'd like to acknowledge the fantastic effort provided by all the age managers and assistant age managers and helpers every Sunday (and Wednesday, Friday and Saturdays!). It is one aspect that helps make South Curl Curl a great club. I'd particularly like to thank Bill Porteous, Ken Johnston, Paul Monnington and Nick Careless, the U14 age managers, who have ushered their nippers through the years, and provided many years of service to South Curl Curl Nippers. A big shout out also goes to Simon and Fiona Cahill for taking up the BBQ duties and slaving over that hot plate while we all enjoyed the cool ocean.

This was my last season as Junior Activities Chair, after four years it is time to pass the mantle on to the next generation. It's been a blast and I've thoroughly enjoyed seeing all the nippers grow and develop their water skills, as well as sharing such great fun times with all the nipper parents and club members. It's a wonderful club to be a part of.

See you on the beach in October.

Saul Carroll
Junior Activities

South Curly Rippers All Ability Group

South Curl Curl offers a modified nipper program for children & youth with a disability and has done now for eight nipper seasons. The program has been developed and supported by the club to allow inclusion for all children, youth and adults to be able to learn about surf awareness and skills as well as participate in activities such as beach races, flags, wade and swim races. As members of this group become more confident in the water, they learn skills to be able to use nipper surfboards in the breakers as well as be supported by older and SRC club members to go out further into the surf to catch a wave into shore. Family members are encouraged to participate with their child so everyone has the opportunity to share in the excitement as each member masters new skills throughout the season.

Members of 'Rippers' are encouraged to join in their age mainstream group if they wish and are welcome to participate in both groups, however there were no Rippers that wished to step up to regular nippers groups this season.

The 2019/20 summer season had approximately 20 registered members, ranging in disabilities and age groups, our youngest member 9 years to our oldest at 40 years. A slight decrease in numbers only by the fact the 6-7yr olds not returning from the 2018/19 season and other surf clubs starting regular groups, this year again allowed us to have two groups – one youth group and an adult group. With regular assistance from other club members (both SRC and adults) this allowed the group coordinator to be able to focus on individual needs more closely and achieve some surf safe goals which this year included regular 25-50m swims, wade, run swim runs and boards.

South Curly Rippers are also a part of the annual Special needs carnival at Mona Vale and as usual have regular representation that does well, coming back with 1st, 2nd and 3rd medals. All Ripper members were very excited to participate and receive medals for their participation.

As usual, volunteers for our group are wonderful, along with our regular patrolling surf club members and SRC members. All volunteers are encouraged and greatly appreciated.

Some highlights for the season are:

- Being included in the annual age group competition, this year was tug of war and Rippers came 4th
- Being a part of our own branch carnival, hosted and held at Mona Vale Beach that included other SLSC disability groups. South Curly was represented well over both 3 age groups and came away with plenty of medals

The 2020/2021 season may look slightly different with Covid-19 still active however we will be looking forward to seeing everyone back on the beach.

IRB Captain's Report

The 2019/20 season was a different season to say the least. With restrictions in place midway through the season, then the eventual cancellation of the remainder of the season this was definitely a much more quieter season for the club as a whole. Thankfully though the boys were up and running well before the season even kicked off, putting the new recruits through their paces with another high number of IRB driver and crew ready for next season. A massive thank you has to go to Kevin "Spook" Moffatt leading the way with the training. I know there were many others including Peter, Graham, Steve plus many I know I'm sure I've missed. We really appreciate all the help through the year as I know the new recruits do as well.

We still currently have a bit of a mix of motors with the Yamaha, Tohatsu as well as a new Tohatsu that we are still breaking in. Please guys make yourself familiar with the fuel mixes and also the differences between the two. Feel free to grab one of us next time you're down the club if you're unsure.

Lastly a massive thanks to Chuck, like always he has been a massive help during the season, doing the bulk of the behind scene stuff, making sure the boats are always ready to go as well as helping out with the training and other odd jobs that I don't know about!

Thanks for the season guys, see you next season.

Scott Taylor & Michael "Chuck" Berry
IRB Team

First Aid Report

The 2019/20 season proved to be somewhat of a challenge for first aid and patrols with the initial concerns of Covid-19 and subsequent need for sanitisation and social distancing. Thank you all for your efforts with this.

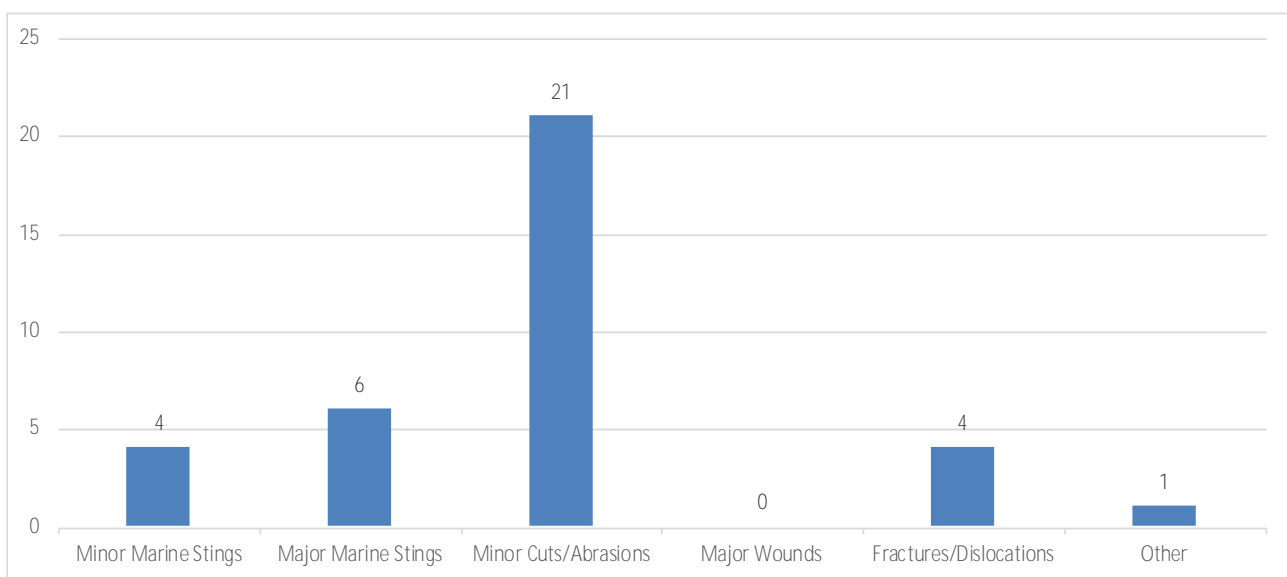

Obviously as the season was cut short our incident statistics are decreased compared to previous years. According to our patrol log statistics, we had an estimated beach attendance of 34,680 and conducted 171 preventative actions. I'm sure our patrols have many more dealings with the South Curl Curl beach going public and it is very important that we log these interactions via the patrol app.

I would like to thank Shane Burke who joined me this year to share the role of First Aid Officer. Shane is an enthusiastic surf club member, involved in many facets of South Curl Curl and I am very pleased to have him along side. We will be working together in the upcoming season to ensure all necessary requirements are met for member and public safety.

Thanks to all members for being on the beach caring for the community and thanks especially to the ARTs who diligently ensure equipment is ready for each patrol.

Cathie Dossetor First Aid Officer

First Aid by Type

Caretaker's Report

Another wonderful (and unfortunately cut short) season at South Curl Curl done and dusted. Our final season as caretakers - it has been a wonderful privilege to be the resident caretakers at such a fantastic club!

This season saw a consistent rate of hall hires throughout the year, especially the warmer summer months. Unfortunately, much like the rest of the world, the hires were suddenly unable to continue in the restrictions surrounding COVID-19.

The club supported many community groups and events whilst the hall was in use. These included local swim and board riding clubs as well as local fundraising groups to raise much needed awareness for youth mental health. Last season saw the introduction of the gruelling 24 hour row, with the inaugural challenge hosted by South Curly in the hall. This epic event helped to raise awareness and funds for Gotcha4Life and One Eighty Inc. A huge effort by the Flemming family and friends to put on the event and massive effort by the South Curly Community to raise over \$15,000 and collectively row over 600kms in 24hrs. We'd like to thank the committee and club for their ongoing support of such fantastic community causes – together we are making a difference.

We believe the ongoing support of these type of events are beneficial for both the club and community and encourage organisations to contact the caretakers to enquire about such events. The South Curly hall relies on word of mouth and recommendations for bookings - spread the word and get our wonderful club and facilities out there!

The caretakers are always keen to hear from members if there are any issues, maintenance or damage around the club that needs to be addressed. You can knock on the caretaker door, leave a note or contact via email or the caretaker mobile (scccaretaker@gmail.com or 0432 066 292).

As our tenure as resident caretakers has sadly come to an end, we would like to take this opportunity to thank the Club, Members and Committee for their ongoing support in our role. We have loved living at South Curly and being a part of all the action at the club. We will continue to be a part of the South Curly family and are so pleased to be passing the mantle to the next generation of Caretakers – Jacob Witty and Daana Stoker. We know they will do a fantastic job and wish them well – we'll sure miss that view!

Michael Egan & Charlotte Walters Caretakers

Curly Gym Report

The club gym is regularly used by members and continues to be an asset for our competitors who meet and training there frequently. The equipment was cleaned and serviced by South Curly members for the entirety of the year which is a cost saving for the club. There was no new equipment purchased this during the year as the facility is stocked with everything that we need. We intend to replace some aging equipment during the 20/21 season in like-for like fashion.

The COVID-19 situation has been well managed and the gym was closed in line with NSW government guidelines. Equipment was made available for outdoor training on the 18th May and club members have been enjoying participating in sessions on the balcony adjoining the boat shed most weekends.

Trent Rogers Gym Custodian
